Who we are

We inspire young people to step out of their comfort zones and reach their full potential.

We are a part of the Mladiinfo International network. We work in Prague and Brno where you can find our office.

What we do

We run Mladiinfo.cz, the biggest platform of its kind in the Czech Republic. We sent and host volunteers to and from abroad. We organise trainings, lectures, and other events for young people.

ERASMUS+

Trainings | We (co)organise original, non-formal education training for youth workers and leaders.

Youth Exchanges | We do short-term international youth exchanges for young people to meet and learn together.

EUROPEAN SOLIDARITY CORPS

We are also a part of the new EU initiative which creates opportunities for young people to volunteer or work in their own country or abroad. It follows up on the European Voluntary Service.
