### **SİVİL TOPLUM DESTEKLEME DERNEĞİ - SİTODED (CIVIL SOCIETY SUPPORTER ASSOCIATION):**

It was founded in February 2006. In many areas it enforces youth activities and founder members of civil society supporter association have education degree of bachelor, master, PhD level as a result of their research in Erzurum to develop civil society activities. Today we have about 100 active members. The members of our association who are to make projects are volunteers who are young people, children, handicapped, and women. Civil society supporter association holds various supporting activities in our local's NGOs. And Civil Society Supporter Association joins national and international level active Professional foundations and universities who were coordinated in training courses and takes this acquired knowledge and experience to transpose to our local. By doing so, SİTODED (Civil Society Supporter Organization) tries to improve and develop itself.

Our aim is;

- \* to take initiative actions to improve the efficiency level of Civil Society Organizations and NGOs.
- \* to be a leading organizations to direct the Civil Society Organizations in Erzurum in terms of both European and World norms in the parallel of globalization.
- \* to provide, and develop communication and collaborations between active NGOs at the local level.
- \* to create projects at both local, national and international level and help them be represented in international platform.
- \* to enable the use of current programmes and spread them over to develop Erzurum.
