Hosting organisation

Lusuganda Development Initiative (LUSUDI)

Lusuganda Development Initiative (LUSUDI) is an Indigenous National Registered Non Governmental Organisation (Reg. No: 80020002116728) that has been in operation since the 26th-August-2009 with a National Wide Mandate. LUSUDI has over the year's generated outstanding positive impact in the lives of many vulnerable communities people. From originally implementing small single isolated projects benefiting a few communities, LUSUDI's programmes have evolved into multi-disciplinary and multi-sectoral programmes and projects transforming the lives of a wide range of communities. LUSUDI's work is mainly focused at Environment and Natural Resources Management, Good Governance and Social Accountability, Community Health and Livelihood.

LUSUDI Vision

A holistically transformed and self reliant society that values nature and dignifies humanity.

LUSUDI Mission

To advocate and promote sustainable integrated development programmes through environment and natural resources management, good governance and social accountability, community health, evidence based research, awareness and education, creativity and innovativeness, information and resource sharing for the present and future generations in Uganda and beyond.
